### CANDLEWICK PRESS • TEACHER TIPS

#### No More Señora Mimí

- Mimí is not only Ana's neighbor but her caretaker. Discuss the definition of caretaker. How many kinds of caretakers can there be?
- Ask your students if they have a caretaker in their own lives. It can be a parent, guardian, grandparent, babysitter, nanny, or anyone! Have them explain who they are and why they are important to them.
- Have students draw a picture of themselves with their caretaker. Then they can write a letter to their caretaker thanking them and describing their favorite moments.
- Ana realizes that although she is super excited about her abuela coming to live with her, she is also going to miss spending time with Mimí. Ask students if they have ever felt both happy and sad at the same time.
