The Dictionary Story Activity Sheets

Words That Start with . . .

Test your vocabulary skills with a timed game. You can challenge yourself or play with a partner or a larger group.

Step 1: Set a timer for thirty seconds.

Step 2: Pick one letter from the alphabet.

Step 3: Start your timer and write down as many words as you can think of that start with the letter you picked. If you're playing with a partner or in a group, award a point for each word and see who has the highest score after five rounds—or go for all twenty-six!

Which letters in the alphabet are the hardest? If you like a challenge, try *X*, *Y*, and *Z*!

Design a Cover

It is no surprise that Dictionary wants to tell a story like a regular book. She is bursting with words. Her cover is also very plain. Can you design a cover for Dictionary that helps to show all the wonderful things you can learn inside?
