

# *Guess How Much I Love You*™ Pop-up Father's Day Card

## INSTRUCTIONS

1. Print out and color in both parts of the card.
2. Cut both parts along the dotted lines.
3. Fold the inside card piece in half lengthwise, with the printed side facing out.
4. Fold the Little Nutbrown Hare down along the gray line. Crease and unfold. Then, keeping the card folded, flip it over. Fold the Little Nutbrown Hare down along the gray line again, crease, and unfold.
5. Now fold the inside card piece with the printed side facing in; as you do, give the Little Nutbrown Hare a nudge in his back to help him fold downward, so he's hiding in the card, ready to pop up when the card is opened.
6. Fold the outside card piece in half lengthwise, with the printed side facing out. Tape or glue the two parts of the card together.
7. Place the card in an envelope for your dad.

Help from a parent or grown-up is needed for this project.
